Let Us, with a Gladsome Mind

Psalms 136

1. Let us, with a glad-some mind, praise the Lord, for he is kind;
 2. He his cho-sen race did bless in the waste-ful wil-der-ness;

let us sound his name a-broad, for of gods he is the God.
 he has with a pit-erous eye looked up-on our mis-er-y.

He, with all-com-mand-ing might, filled the new-made world with light;
 Let us then with glad-some mind praise the Lord, for he is kind;

all things liv-ing he does feed; his full hand sup-plies their need.
 for his mer-cies shall en-dure, ev-er faith-ful, ev-er sure.
